NOTICE OF PUBLIC MEETING

Crescentwood Elementary – Traffic Flow and Road Proposal

Dear Neighbor,

Eastpointe Community Schools has requested consideration of a new road connection and revised traffic flow at Crescentwood Elementary School. Because this proposed change directly affects nearby neighborhoods, I am inviting you to a public meeting to ensure residents have the opportunity to review the plans and provide feedback.

Meeting Details

- **Date:** Thursday, November 13, 2025
- **Time:** 6:00 PM
- **Location:** Crescentwood Elementary School Gymnasium

At this meeting, representatives from Eastpointe Community Schools, the City of Warren, and the project engineers will present the proposal, answer questions, and listen to community input.

Your feedback is essential. The decision on this project must reflect the needs of both the school community and the surrounding residents. I strongly encourage you to attend this town hall-style session and share your perspective.

Thank you for your time and commitment to our neighborhoods. I look forward to hearing from you.

Sincerely,

Lori M. Stone
Mayor, City of Warren
