

Hello,

The Summer benefit is an extension of the 2021-2022 school year that covers part of June, July and August. There is no communication/letter that is required by the school to post. There are no reconsiderations for the Summer benefit like there was for the school year benefit.

For students to be eligible they had to have been receiving free or reduced lunch at the end of the 21-22 school year. When issuing the Summer benefit, we have identified an issue with some cards and we are working diligently to resolve these issues.

If parents have any questions regarding the Summer benefit they can contact our P-EBT help desk at **833-905-0028**, option 2 Monday through Friday from 9:00 am - 3:00 pm or email us at MDHHS-PEBT@michigan.gov.

There may be a wait time when calling due to the high volume that we are receiving. If you have any questions, please contact us.

Thank you,

Christina S.
