**What is one suggestion you would offer to improve our school?**

**150 responses**

- **Communication**
- **Nothing**
- **I think it should be more one on one with the children. To get to know them.**
- **Get parents more involved like PTA more school activities better communication with parents.**
- **Someone who cares**
- **0 tolerance for teasing fighting and bullying! After school tutoring maybe, summer program that's in the morning instead of afternoon**
- **Eliminate school of choice and replace current staff**
- **Teach more than slavery and segregation**
- **I don't have any.**
- **Not sure**
- **Funding**
- **More hours at school, and transportation. I know, this in not by school ,but the transportation needs to be more correct. The transportation answer very rare over the phone, and it has happened, that we have waiting for a long time, and no one gives a call or contact us , that won't be a bus today.**
- **Honestly, I don't think there is much improvement that can happen without more teachers. Because that is where most support for everyone comes from.**
- **Listen to the students and parents who give a care! the experience I've had ,is they just don't really care**
- **Better communication better teachers**
- **nothing at this time**
- **Have days or hours when we can visit so we can see how our kids work**
- **Security**
- **Change the time schedule for the High School and Middle School.**
- **Improved communication. Sometimes we as parents are not notified of things until last minute. Also, we don't need an email and a phone call to notify us of events.**
- **A and B schedule like the middle school, if teacher shortage continues. No Michigan Virtual**
- **Better teachers**
- **BULLING. Cause if my son gets touched 1 more time. Lets just say law suit.**
- **More parent conference**
- **Advanced science and math classes**
- **Better pick up and drop off . Kids cross in front on busses. My truck has been hit 3 times by parents.. parents smoking pot in car waiting for child.**
- **Teacher**
- **Forest park does not give Kindergarten homework**
- **Better security, so my son won't be affraid to go to school.**

- For the students that's left behind more communication or more help for the students that struggle.
- Make another parking lot
- communication with the parents on how their child are learning an what they are learning some kids need to be challenged so will help in the next grade
- Hire more caring teachers
- Strengthen efforts to reach out to parents and perhaps have events to get parents more involved. Maybe have volunteer opportunities that would help the parents get more involved in the learning for their students and the welfare of the community.
- na
- Get better teachers
- Communication with parents
- No communication with parents about their child learning
- A new leadership program
- More individual time with struggling students.
- For special needs children teachers/subs need to communicate more
- I know you're doing the best you can.
- Longer lunch/recess so the kids can have more time to rest their brains before going back to learning. If they can't get all their energy out it will carry over into class.
- When a parent requests to meet with the principal they should not have a choice they should have to meet with in a reasonable time frame like 48 hours. Your job is to teach my child who had all A's but now is being told every day she has to go to the principal who refuses to meet with you your school is a joke because you don't have professionals working because your so desperate to put body's in place
- Staff needs to understand the kids and their safety come first. The school is there for children to learn in a safe environment.
- End Michigan virtual.
- Have school from 7:20am to 2:33pm in school.
- More parent involvement!
- With virtual, student should have more attentive instructors children were virtual and not just some
- Take away Michigan virtual
- Pay more attention
- More attention to each kid
- More parent meetings. More parent involvement. Staff being respectful to parents. Not treating all parents rudely because of one or a few parents actions. If their are fights and consistent bad behavior from a group of kids all of those parents should come in together. To create a plan of action to correct the behavior of our children.
- Get a new principal and find better parking for parents.
- Nothing
- None
- Have an IEP teacher
- The school is fine as it is
- In person every other day

- Everything
- Longer lunch!
- Idk
- More support to the children like the do
- NA
- Teachers reached out
- Keep up the good work
- Fewer days out of school and the time in between the days out.
- Everything is okay
- Organization
- Peer mediation programs for anti bullying to teach kids to resolve conflict
- Less virtual
- To reach out more to the Children that have to Attend Virtual...
- My children should be able to ride the bus to school. It's not safe to walk
- To encourage the students to become more involved in their academic school career choices and encouraging students to inform their parents of issues within the school environment as well.
- Pay staff more so they will stay.
- When children are failing have someone in place to help motivate and clarify the problem.
- Someone other than the teacher. Catch problems early and create a wrap around village to respond to the concern and needs of the child to prevent failure and loss of interest.
- Please get air condition
- Bigger parking lot and/or improve pick-up/drop-off for parents who drive their children to school.
- Control at front of school
- Return virtual learning back to Google Classroom!
- more security
- Tutoring for children that needs it
- After school workshops
- Get metal detectors
- Get a new principle
- Have teachers that are trained to understand the developmental level of learning
- Communicate more
- Have more patience and meet children where they are developmentally
- Give the teachers and administration more benefits and higher pay, to ensure that their personal lives are as comfortable as possible so that they may be at their best when teaching our children about the difficult world we live in. And how to navigate internet sources to determine their credibility and think critically of the information they are processing to be able to determine false and misinformation.
- What kind of activities would you like to see to encourage well-rounded, healthy students? Suggestions may be used to allocate Title IV and ESSER grant funding.

- Outdoor activities
- I would like to team time study hall and after school help for the students

- More books more learning Hands-On first writing skills sentences pronouns using technology
- far as learning how to type sentences instead of just writing math skills understand a little bit
- more.
- More emphasis on arts and humanities, as well budgeting, Home Economics, etc. Or possibly
- try incorporating some of the students' interests into the curriculum of some of the courses in order to get them involved in learning and not just trying to teach. I would like to see human creativity at work.
- na
- Extra credit, more support
- More school programs for STEM
- More help with instructions
- Not sure
- A learning program through the military and a health program
- More after school activities. Book reading club.
- More after school activities like the literacy night. This way the kids can enjoy school activities
- with the whole family and enjoy being at school more because of it.
- Music should be offered always but my daughter was forced to have gym everyday
- I like the events when the parents come and become involved on the open house activities.
- Just be more organized and actually put the students first.
- None
- Good work
- After school
