

STUDENT: \_\_\_\_\_ HOUR: \_\_\_\_\_ DATE: \_\_\_\_\_

## Behavior Reflection

The purpose of this form is to allow students time to reflect on issues, behaviors or situations that negatively affect the classroom learning environment. The student behavior that generated the need for this action is related to the following:

Disrupting Class      Disrespectful      Physical Aggression      Profanity  
Insubordinate {Refusing to follow directions/non-compliance}  
Inciting Unsafe Environment      Argumentative      Harassment/Bullying

1. Explain why you were asked to think about your behavior:

---

---

---

---

2. Explain how this disruption interferes with the learning of others:

---

---

---

---

3. What are some positive things you can do to make sure this behavior does not happen again? (Circle all that apply)

Be Respectful      Listen when the teacher is talking      Follow Directions  
Have a better attitude      Follow Social Contract
