PLATO Online Credit Recovery or Advancement

Available courses are listed below. Although students may work at home, they must also attend classes daily and are subject to summer school attendance policy. Students must complete all coursework in each course before they can enroll in a second course. Once a student has completed a course they may either register for a second course, or leave the program. Students will register for each session and block they wish to participate in.

Example: A student registers for Session 1-1st Block, this student would be eligible to take one course once they paid for the course. If they registered for Session 1-1st and 2nd Block, they would then need to pay for two courses.

All courses are ½ credit. If a student needs to make up a full credit class, he or she should sign up for two courses, being the first and second semesters of the class (S1 & S2).

The following courses will be offered:

English 9 S1	English 9 S2	English 10 S1
English 10 S2	English 11 S1	English 11 S2
English 12 S1	English 12 S2	Biology S1
Biology S2	Economics S1	Economics S2
Health	Earth Science S1	Earth Science S2
American History S1	American History S2	Geometry S1
Geometry S2	Algebra I S1	Algebra I S2
Physical Science S1	Physical Science S2	Algebra II S1
Algebra II S2	Chemistry S1	Chemistry S2
Government S1	Government S2	Art History
Career Explorations	World History S1 (Anc.)	World Hist S2 (Mod)
Personal Finance	Consumer Math	Physical Education
Computer Apps		

Credit/No Credit classes:

Communications Skills	Basic Skills in the Real World
Job Skills in the Real World	Business Basics

Virtual Learning Course Guide

The new high school state requirements have increased rigor and relevance to student learning. Due to these new requirements, students do not have a lot of room for error and every credit is of great importance. The PLATO program is designed to provide opportunities for students to recover credit that may have been lost during their school career and to help them get back on track to graduate on time.

EHS students enrolled through the PLATO program are provided with personalized lesson plans and course offerings designed to promote individual student achievement and progression at his or her own pace. Credit is earned through testing developed for each class. PLATO courses provide the following attributes for select students:

- Perfect for students who can work quietly and independently
- Teacher is always on site to interact when needed
- Learning is individualized and self-paced
- One students' pace of completion does not affect any other student in the lab
- Receive speedier feedback on assessments and assignments
- Re-take failed tests/quizzes
- PLATO has been approved by the Michigan Department of Education
- All content meets national and state standards
- Courses are not approved by NCAA for eligibility purposes
- Student can work online at home to prepare for tests and quizzes

Policies (violation may result in no credit)
In order to receive credit, you must abide by the following guidelines:

- You may only work on the PLATO course you were assigned for this period
- Due to the nature of the course, NO ELECTRONIC DEVICES (with the exception of your computer) are permitted (ex- cell phones, iPods, etc.)
- No food or drinks in the lab
- No socializing
- No sleeping
- The policies listed in the student code of conduct must be adhered to
- You must provide *hand-written notes* from lectures and tutorials to have any tests or assignments unlocked
- You may not leave your station at any time during a lecture; you must listen to the entire lecture on each lesson (*and take notes*)
- The following components can be considered to determine your grade:
    - Mastery tests
    - Quizzes
    - Post-tests
    - Final semester exam

Summer School Registration 2019

Early Registration:

May 27, 2018 – June 7, 2019

Registrations may be DROPPED OFF to the counseling secretary during the regular school day, but if there are any questions, parents or students should be directed to email john.summerhill@eastpointeschools.org.

Regular Registration:

June 10, 2019 – June 14, 2019

Late Registration (Only Session 2 without approval):

June 17, 2019 – July 12, 2019

Please note: Courses are not approved by NCAA for eligibility purposes.

Policies

ATTENDANCE: All summer school classes *must* be attended in their entirety. If you are absent due to an illness or emergency, a parent or guardian must call 586-533-3719 by 8:30 for a first period class or by 11am for a second period class. Students will be dropped from summer school on the second absence. Refunds are not given if dropped due to attendance. If students are enrolled in more than one course, they are NOT to leave campus during lunch break.

DRESS CODE: Students must dress in a way that is appropriate for school. The rules that apply for the regular school year apply to summer school. Cut-offs, short shorts, bare midriffs, bandanas, "wife-beaters," and hats are not allowed. Shirts and shoes must be worn at all times. Pants need to be worn at waistline (no underwear showing).

ELECTRONIC DEVICES: Students may be in possession of cell phones and MP3 players, but these devices must be TURNED OFF within district buildings and not visible during class. Eastpointe Community Schools will not be responsible for theft, loss, or damage to any of these items.

ID POLICY: Students must wear Eastpointe ID badges and lanyards at all times. No student will be allowed to enter the building without an Eastpointe ID. If a student is late/absent because he or she does not have an ID, the tardy or absence will not be excused. Eastpointe students should keep their badges from the previous year. Guests will have pictures taken at registration or on the first day of classes. Eastpointe Summer School will provide one backup ID, but if both are lost, the student will no longer be permitted to attend summer school.

SMOKING: Smoking is not permitted on EHS property. Violation may result in removal from summer school and/or a ticket from police.

FOOD: Snacks will be sold between classes in the summer school office. Food is not allowed in classrooms and can only be consumed on scheduled breaks as permitted by the teacher. Water is allowed in classrooms, but not near computers.

GRADES: At the conclusion of summer school, notification of grades will be sent to each student's home and to the school that each student attends. It is the student's responsibility to make sure that grades become part of official transcripts.
