Dear Shamrock Families,

We are pleased to announce the return to full face-to-face instruction for the Eastpointe Secondary Campus! As we move forward in this change to our instructional model, please be aware of the following:

- Grades 11 and 12 ONLY will return to full face-to-face instruction everyday beginning on Monday, March 20th. Grades 8-10 will remain on the existing hybrid schedule for this week.
- ALL GRADES, 8-12, will be welcomed back into the building full-time beginning on Monday, March 27th.
- Students on a C-track, full-remote schedule may be allowed to continue to the end of the year, on a case-by-case basis depending on demonstrated success in virtual learning. NO students will be added to C-track except in extraordinary circumstances.
- Teachers will continue to maintain Google Classrooms and will teach synchronously online via Google Meet so that those students who are absent will not fall behind in instruction.

We are very excited to welcome all students back into the building full-time, and we believe this will aid in delivering uniform high-quality instruction to all of our Shamrock families! If you have any questions, please contact the school at 586-533-3700.

Sincerely,

Asenath Jones
