November Counseling Department News

SAT: The PSAT/NMSQT and SAT was administered on October 14th. This testing opportunity is for 11th and 12th graders, and was optional for students. Results usually take approximately six weeks. If you would like to take the SAT at another testing site, please contact your counselor for a fee waiver. We also have fee waivers for the ACT.

Virtual College Visits:
Ms. Taylor has scheduled many virtual college visits! Please watch for the links through Google Classroom and your email! These virtual meetings are open to students and parents to view.

FAFSA: FAFSA for the 2021-2022 school year opens on October 1st! If you are planning to attend college in the fall, you must complete your Free Application for Federal Student Aid (FAFSA) to qualify for financial aid and scholarships. Please visit fafsa.gov to complete your application.

See https://www.educationquest.org/pdfs/FAFSAchecklist.pdf for a helpful checklist to help you and your parents. Please see your counselor or Ms. Taylor if you have issues with the application.

College Applications: College applications are available online. You will be asked to send your transcript (see the website for Parchment below). Many colleges have free applications. If you apply to a college that has an application fee, please see your counselor so we can submit an application fee waiver for you.

Make sure you use a valid email address in your application, colleges will let you know your application status through email.

Parchment: Parchment is an online transcript service. It is very easy to use and will provide you with a receipt when your colleges receive your transcript. Please create an account at https://www.parchment.com/ and see your counselor or Ms. Taylor if you have questions.

A Message from the Principal

Greetings Shamrocks,

I hope this message finds each of you well as the hope and promise of this season of our 2020-2021 school year has encouraged and driven the reality that we are having school. As we approach our "new normal", I am constantly reminded of the need to be compassionate and understanding during these times. I encourage everyone to make a conscious decision to present and attentive in our educational discourse.

Our collective goal is to help each scholar realize and achieve even higher levels of learning and life -long success. We had a challenging start and in some ways difficult, however I have believed as we approach every challenge, we approach them with a spirit of dedication, integrity and resiliency in all endeavors.

Let's continue to have a positive, productive, and powerful 2020-2021 school year.

Remember…ALWAYS A SHAMROCK, ALWAYS A WINNER!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Sincerely yours,

Dr. Richard Williams

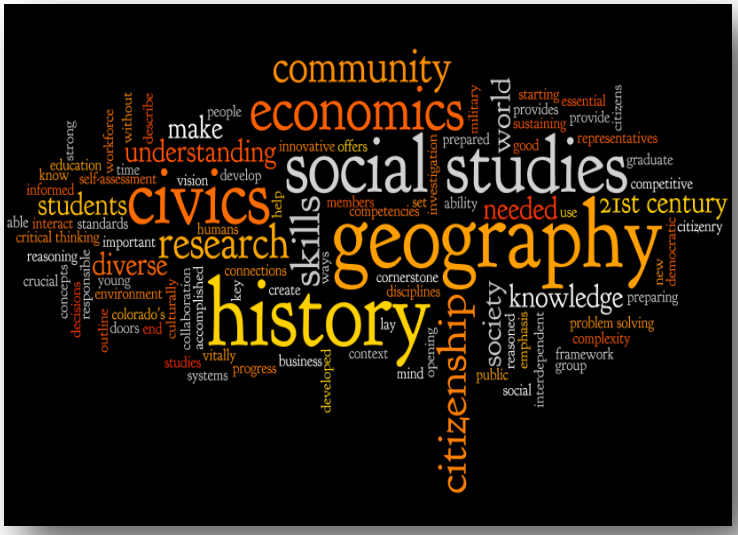
Happy Halloween!

Social Studies Department

Social Studies students have been learning about the upcoming 2020 election. Students are learning how to register to vote, what the 2020 ballot entails and all about the Electoral College.

Students will participate in a mock election to see where the students of EHS stand on the 2020 election.



National Honor Society

*My name is **Edith Cameron** and I am the National Honor Society (NHS) sponsor for the **2020-2021 school year**. It gives me great honor to officially announce the following newest members recently inducted to the National Honor Society.*

These students have shown their leadership skills in the following four categories, scholarship, character, leadership, service and in addition, qualified with an exemplary grade point average above a 3.25 overall.

*Last Spring, during our stay at home order, these students applied and wrote their essays for consideration by a committee and were accepted into this year's National Honor Society. I personally wish all of these leaders the best as they continue to shine as Eastpointe High School's **brightest** and **best**!*
