

**2023 EASTPOINTE HIGH SCHOOL
SECONDARY CREDIT RECOVERY
SUMMER SCHOOL PROGRAM**

Monday, June 19 – Thursday, July 27, 2023

8:00 a.m. – 12:00 p.m.

Monday thru Thursday each week

(NO SCHOOL FOR STUDENTS JULY 3 THROUGH
JULY 7, 2023)

At Eastpointe High School, our focus is to ENGAGE our students both academically and socially. PREPARE each student to have the fundamentals needed to succeed today and onward into their futures. SUCCEED, it is our vision to instill the fundamentals for life while assisting you to stay on track for graduation. This is what our Secondary Credit Recovery Summer School Program can do for you.

The new high school state requirements have increased rigor and relevance to student learning. Due to these new requirements, students do not have a lot of room for error in earning credits in order to stay on track to graduate with their scheduled class of peers. Every credit is of great importance. The Secondary Credit Recovery Summer School Program is designed to provide opportunities for students to earn credits they had previously failed. It is an additional support to our students' academic success and positive opportunity to recover their required courses.

All Eastpointe High School Secondary Credit Recovery Summer School Course will be conducted virtually using the Edmentum PLATO System. The online PLATO program will provide each student with their own personalized lesson plans and course offerings designed to promote self-paced learning, academic progression and credit recovery achievement. This is accomplished by students being allowed to progress through their studies at their own pace while showing mastery of the concepts by passing the section assessments allowing for their progression throughout the coursework. All students will be mentored by a certified teacher available to assist all students with motivation, clarification of subject matter, answer questions and guide students in taking the knowledge and skills presented and putting them into practice.

PLATO courses proved the following POSITIVE attributes for students:

- The Edmentum PLATO system is available 24 hours a day/7 days a week to students.
- ALL student coursework will be overseen by certified teachers working remotely.
- Summer School teachers can be contacted by email, Google Meet and/or will be available at Eastpointe High School for Open Labs for student assistance on Mondays through Thursday from 8:00 a.m. – Noon during the scheduled program dates.
- Perfect for students who can work quietly and independently
- Learning is individualized and self-paced
- One student's pace of completion does not affect any other student
- Receive speedier feedback on assessments or assignments
- Ability to re-take failed test/quizzes
- PLATO is approved by the Michigan Department of Education
- All content meets national and state standards
- Students can work online at home at their convenience.

Note: Courses are NOT approved by NCAA for eligibility purposes.

ALL students are required to check-in with a summer school credit recovery teacher by Google Meet once per week during the scheduled daily hours.

It is required for ALL students to complete all coursework in each course before they may enroll in a second course.

It is MANDATORY FOR ALL STUDENTS to schedule and attend the on-site learning lab, between the hours of 8:00 a.m. and 12:00 p.m. to take and complete their assigned course's final test.

Once a teacher has reviewed the course and confirmed the student has completed a course, they may either register for an additional course, or be finished with the program. All courses are worth one half credit (0.5) If a student needs to make up a full credit course, he/she should sign up for the two courses of the class(A-S1 & B-S2).

The following courses are offered during the 2023 Eastpointe High School Credit Recovery Summer Program:
