## Locker Protocols

2022-23

1. Students are to use only the assigned school lock on their lockers. **PERSONAL LOCKS ARE NOT TO BE USED.**
2. **Students are permitted to use their lockers at the start of the day, BEFORE FIRST HOUR; AFTER LUNCH; and AT THE END OF THE DAY (Please permit a few minutes before the final bell).**

**Violation of permitted locker times will result in a loss of privileges.**

3. Students are to keep their locker combinations confidential. They should never share the numbers with friends. Sharing combinations is a violation of school rules and will result in loss of locker privileges. (This means the locker will be taken away for a period of time. On the second offense students will lose their locker for the remainder of the year.)
4. Students are to only use the locker that has been assigned to them. **LOCKERS ARE NOT TO BE SHARED.** Sharing lockers is a violation of school rules and will result in loss of locker privileges.
5. Students are responsible for all personal belongings. The school is not responsible for personal belongings left in lockers. Valuable items should not be brought to school or left in lockers at any time.
  - a. **At the start of the day, gather all supplies for the first three hours before lunch.**
  - b. **Right after lunch, return those items and pick up what you need for the remaining portion of the day**
  - c. **At the end of the day, gather what you need to take home**
6. Defective lockers or difficulties with lockers must be reported to the office immediately.
